## PLMC Migrant Workers Ministry

1. Please pray for job openings for our Bangladeshi brothers whom we are journeying with. Pray especially for those who were exploited or cheated by unlicensed agents and have lost their jobs. They are now in dire need of employment so that they can continue to make a living for their families and repay hefty loans they took to find employment in Singapore. We are mentoring and discipling a few of them and are ready to recommend a couple of good brothers for employment. If they are re-employed by another soon, we have more time with them and can establish them even stronger in their faith. We praise God for the fruit of transformation in their lives. Please pray for job openings for "David" and "Andrew". Please pray for construction and landscaping companies with Christian bosses or recruitment officers to step up and give our recommended Bangladeshi brothers a chance. Truly, we are amazed at what God is doing amongst the migrant brothers in our land.

2. Please pray for our injured Chinese migrant workers. As they return home, some with permanent injuries, they will face many challenges - finding jobs they can do, and finding Christian communities that they can continue to be discipled in so that their faith in Christ will not be easily shaken. Pray for their young families who will have to spend time caring for them now that they have physical disabilities.

3. Please pray for an Indian worker who fell 16 floors down a HDB rubbish chute he was cleaning, when his safety harness broke. As he landed on his legs, the impact on the concrete floor caused a terrible compression of his spinal bones and legs. Bones protruded through his back and legs. It is a miracle he is alive and he has had a few operations to push back his spine and support it with metal rods. This brother needs a final operation to transplant a donor leg bone. As his employer has been paying close to \$300,000 for his medical bills, his company is unable to pay for his

final operation which is a necessary one. His operation has been delayed for three months due to lack of funds and he lies waiting in a nursing home in pain. Please pray for him. He is the only son of a farmer with three daughters. The family is in debt of \$8000 now that the worker can no longer work. We pray for resources to pour in and donors to come forward to contribute so that the final operation can take place. Please pray for a supernatural healing that he will one day be able to get up, stand and walk again. When we visited him on a few days ago and prayed for him, he was really moved and cried as hardly anyone visits him.
