Testimony

My sister had a bad abdominal pain and doctor said there is a growth in her ovary. All of my sisters and me were very worried for her. After church service, I approached Pastor Lynette and she prayed for my sister. I thank and praise our Lord that the operation to remove her ovary, cervix and womb was a smooth one and it took a shorter time than expected. On 26 May, my sister went to the doctor for reviews and it was a favorable report. All glory goes to our Lord God. My sister is quite well now and her appetite is back to normal. Thank and praise to our Lord Jesus. Thank to our sisters in Christ who prayed for her too. – Doris Teo
